DISCLOSURE INFORMATION ABOUT THE INTERVAL INTERNATIONAL EXCHANGE PROGRAM

This guide is provided to explain the Exchange Program made available to Individual Members of Interval International, Inc. ("II"). You should review this information to ensure that you understand the terms and conditions of your membership with II and the operation of the Exchange Program. The following are definitions of special terms that are included within the text of this guide.

DEFINITIONS

1. "Club Interval Gold®" refers to the benefits package available to Individual Members at Member Resorts participating in the Club Interval program upon payment of the applicable Club Interval Gold membership fee. Club Interval Gold provides Members with the benefits of Interval Gold®, including participation in ShortStay Exchange® and Interval Options®, plus participation in Club Interval.
2. "Club Interval Points" means the symbolic currency utilized by Club Interval to value the Member's Home Resort accommodations and the accommodations requested by the Member from the Exchange Program, as well as other alternate accommodations requested through the Interval Options program.
3. "Collection Member Resort" means any resort that previously satisfied the Preferred ResidencesSM Member Resort standards. Individual Members in good standing as a result of owning a Vacation Interest at a Collection Member Resort are enrolled in Interval Platinum® and transact in the Exchange Program using Collection Points.
4. "Collection Points" means the currency into which a Member's Collection Resort accommodations are converted upon relinquishment. Each Member's Collection Points are held in their "Collection Points Account" until such time as they are used through the issuance of a Confirmation or they expire.
5. "Confirmation" means a written or electronic acknowledgment from II that a request for accommodations has been fulfilled.
6. "Fixed Time" means that the Vacation Interest is for a specific time period each year.
7. "Floating Time" means that the Vacation Interest is not for a specific time period and may vary from year to year. Floating Time accommodations are subject to the Home Resort's own reservation system and operating procedures.
8. "Home Resort" means the resort at which the Individual Member owns a Vacation Interest. When the Individual Member owns a Vacation Interest at more than one resort, the term Home Resort is used to identify the resort at which a unit week or its equivalent in points is being relinquished to effectuate an exchange.
9. "Host Resort" or "Host Accommodations" means the resort into which the Individual Member has been issued a Confirmation (including Flexchange®, ShortStay Exchange, and Getaway Confirmations, as well as E-Plus® retrades).
10. "Individual Member" or "Member" means a person, persons, or entity who owns a Vacation Interest at a Member Resort and who, by participating in the Exchange Program, agrees to be bound by these terms and conditions of II membership and exchange as amended from time to time. An Individual Member is said to be in good standing with II and the Home Resort when the Individual Member is current in the payment of all fees and assessments prescribed by II and/or the Home Resort, and is in compliance with all II and Home Resort terms and conditions then in effect.
11. "Interval Gold" and "Interval Platinum" refer to the upgraded benefits packages available to Individual Members in good standing upon payment of the applicable Interval Gold or Interval Platinum membership upgrade fee. Interval Gold or Interval Platinum status provides Members with certain additional travel and leisure benefits not available through basic membership in the Exchange Program.
12. "Member Resort" means any resort or vacation club membership program including Collection Member Resorts, for which a developer, homeowners' association, or other third party has entered into a contract with II, pursuant to which accommodations and facilities may be made available to Members, as well as any resort for which II provides exchange services directly to its owners.
13. "Resort Directory" means II's online publication containing a descriptive listing of selected Member Resorts.
14. "Suspension" or "Suspended Resort" means that a Member Resort is not in compliance with an II affiliation agreement, II policies and procedures, or is not otherwise in good standing with II. While a Member Resort is suspended, processing of new memberships, membership renewals, and exchange deposits and requests, and other benefits and services, may be temporarily halted.
15. "TDI" or "Travel Demand Index" means the seasonal indices that are updated periodically to reflect the cycles of relative weekly demand for a specific geographic area. The TDI is a vacation-planning tool offered by II to assist Members in determining which time periods offer the best opportunities for travel to a particular region, and when accommodations are most likely to be available. The TDI is not an

indication of the quality or desirability of vacationing in any specific resort, geographic area, or season, nor is it necessarily an indication of the availability of a particular week in the Exchange Program.

16. "Travel Planner" means II's print publication that includes the Terms and Conditions of Individual Membership and Exchange, as well as an overview of benefits of II membership and a descriptive listing of selected Member Resorts.
17. "Vacation Interest" means the possessory rights, occupancy rights, or usage rights in accommodations and related facilities for a period of time during any given year, and which rights extend for any period prescribed or allowed by applicable law for establishing a timeshare plan.

THE FOLLOWING TERMS AND CONDITIONS ARE II'S STANDARD TERMS AND CONDITIONS OF INDIVIDUAL MEMBERSHIP AND EXCHANGE. HOWEVER, DUE TO THE HOME RESORT'S INTERNAL RULES, A MEMBER'S EXCHANGE ACTIVITY OR ACCESS TO II BENEFITS MAY BE AFFECTED. II DOES NOT HAVE ANY CONTROL OVER SUCH INTERNAL RULES. MEMBERS SHOULD CONSULT THEIR HOME RESORT'S RULES AND REGULATIONS FOR FURTHER DETAILS AND EXPLANATIONS OF ANY SUCH ADDITIONAL TERMS AND CONDITIONS REGARDING THE USE OF THE EXCHANGE PROGRAM.

INDIVIDUAL MEMBERSHIP

1. Member Resorts usually arrange for initial membership in II for their purchasers. These terms and conditions of Membership constitute the Member's contract with II, which is a separate and distinct contract from a Member's contract with the developer or seller of the Vacation Interest. Individual Membership commences upon II's receipt and processing of an individual's enrollment information and the applicable membership fee.
2. In subsequent years, Individual Members may renew their memberships directly with II, and membership in the Exchange Program is voluntary. At all times, participation in the Exchange Program is voluntary. In other instances, the developer of the Member's Home Resort may agree to renew the Member's membership on their behalf.
3. Membership benefits including, but not limited to, participation in the exchange privilege, special exchange services, and various incentive programs will be provided so long as the Member and the Home Resort are in good standing with II. Additionally, the Member must be in good standing with the Home Resort. Membership benefits other than the exchange privilege, including certain Interval Gold, Club Interval Gold, and Interval Platinum benefits, are subject to separate terms and conditions. Said benefits, their providers, and their terms of use may be changed, substituted, or eliminated without prior notice. Members are not required to exchange their Vacation Interest to use any other benefits provided through the Exchange Program, other than the exchange privilege.
4. Membership in II is conditioned upon the Home Resort's continued adherence to II's standards of service, appearance, management, and operation. A Member Resort's failure to maintain these standards, or failure to timely renovate or construct vacation accommodations and/or amenities committed to the Exchange Program, or its failure to remain in good standing with II (e.g., failure to comply with contractual obligations, including the obligation to enroll purchasers and remit fees, the failure to honor Confirmations, and/or the failure to otherwise comply with II policies and procedures) may result in suspension or termination of the Member Resort's affiliation with II. A Member Resort's suspension or termination from the Exchange Program may result in the loss of all or some of the membership benefits, including the exchange privilege, for the resort's associated Individual Members.
5. Representations concerning Individual Membership and the Exchange Program are limited to materials supplied or otherwise approved by II in writing. All other representations are not valid or binding on II. Neither II nor any of its related companies are authorized to make promises binding on any of the others, and each entity will only be responsible for the representations made in its own written materials, or by its own employees or authorized representatives.
6. Not all Member Resorts are included in the Resort Directory or *Travel Planner*. The failure to picture a Member Resort in the Resort Directory or *Travel Planner*, however, does not necessarily mean that such Member Resort is not in good standing with II, or that its associated Individual Members are not entitled to use the exchange privilege. Likewise, the inclusion of a Member Resort in the Resort Directory or *Travel Planner* does not necessarily mean that such Member Resort is in good standing with II, or that an associated Individual Member is entitled to use the exchange privilege. All reasonable efforts are made to ensure that published resort information is accurate. II, however, expressly disclaims liability in the event of omission or error.
7. Members acknowledge that:
 - (a) Resort facilities, amenities, and services vary by country, location, and resort, and room accommodations vary in size, decor, and interior detail.
 - (b) The description and amenities symbols provided in the Resort Directory or *Travel Planner* for each Member Resort are representative of the features generally available at such Member Resort. However, unit amenities and views may vary from unit to unit within a Member Resort, and II cannot guarantee specific selection of any such elements with respect to the Host Accommodations or that all amenities will be available during any specific period of occupancy. Each Individual Member should review the Confirmation for specific information about their Host Accommodations.
 - (c) The exchange privilege should not be the primary reason for purchasing a Vacation Interest, and the relative demand indicated in a Travel Demand Index and assigned to any particular week should not be relied upon in determining the value of that week.
 - (d) Neither II, nor its respective affiliates or subsidiaries, is liable for any damage to, or loss or theft of personal property left in the Home Resort accommodations; nor is II, or any of its respective related companies liable for any damage to, or loss or theft of personal property that occurs through Members' use of Host Resort accommodations. Neither II, nor any of its respective affiliates or subsidiaries, is liable for any death, illness, or personal or bodily injury that occurs either at the Home Resort or at a Host Resort.
 - (e) Neither II, nor any of its respective affiliates or subsidiaries, is liable or responsible for any claim or loss incurred in connection with the purchase or ownership of a Vacation Interest.
 - (f) Upon each use of the Exchange Program and to the extent allowed by applicable law, any and all claims against II, and its respective related companies are waived, and all such parties are released from all liability, if any, arising out of the Member's participation in the Exchange Program and/or any of its benefits and services that may have accrued prior to such use.
 - (g) II, and its respective related companies make no warranty, express or implied, as to the condition, capacity, performance, or any other aspect of the activities, events, or providers associated with the benefits or services made available to Members in connection with their participation in the Exchange Program or in benefits and services ancillary thereto. No inquiry has been made into such activities or events, or into the qualifications or the quality of services offered by such providers, and the offering of their benefits and services does not constitute an endorsement of or recommendation for any of such benefits or services by II, or any of its respective related companies. Each Member releases II, and each of its respective related companies, and waives their rights against each such party, for any personal or bodily injury, death, or illness that occurs during or related to such Member's participation in such benefits or services.
 - (h) II's liability, and that of any of its respective affiliates or subsidiaries, if any, in connection with Individual Membership and participation in the Exchange Program, is limited to the annual membership and exchange fees paid to II by the Member.
 - (i) All rules and regulations of the Host Resort, as well as these terms and conditions, must be adhered to. Violation of such rules or these terms and conditions may result in loss of present and future occupancy rights at the Host Resort and/or the cancellation of membership without further obligation by II.
 - (j) If a Vacation Interest is owned by a corporation, partnership, or trust, a corporate officer, partner, or trustee must be established as the primary contact or administrator to manage the membership.
 - (k) Where multiple individuals are listed in a single membership record as the owners of a Vacation Interest(s), one individual and such individual's contact information must be designated as the primary contact where all Member materials, Confirmations, and communications will be sent. Contact information may also be included for all other owners. In order to be associated to a single membership record, each contact's information must reference the same country of residence. II may continue to provide membership and exchange benefits for all owners listed until II receives verifiable documentation of any change of ownership of the Vacation Interest(s).
 - (l) Membership in II may be used only for personal and noncommercial purposes. Any other use of membership benefits may result in the suspension or termination of a Member's membership and/or exchange privileges, as well as cancellation of any existing Confirmations and loss of fees associated with all II memberships and Confirmations held by such Member.
 - (m) II may, at its sole discretion, suspend or terminate a membership where the Member uses inappropriate, abusive, or discriminatory behavior in their interactions with any other Member or any employee of II or its Member Resorts, or otherwise in their use of II's Community web forum or in other social media channels.
 - (n) To the extent allowed by applicable law, phone conversations between Individual Members and II employees or representatives may be recorded and/or monitored.
 - (o) If II should fail or be delayed or impaired in the performance of any obligation hereunder, including, but not limited to, providing exchange accommodations, due to causes beyond the control of and without the fault or negligence of II, then II shall be excused from further performance. Such causes may include, but are not limited to, acts of God or public enemy, fire, strikes, lockout or other labor unrest, riot, explosion, civil disobedience, declared or undeclared war, revolution, insurrection, boycotts, acts of piracy, acts of terrorism, acts of public authorities, blockade, embargo, accident, pandemic, epidemic, quarantine, labor shortages based on pandemics or widespread illness within a given servicing location, delays or defaults caused by public or common carriers, and/or other circumstances materially impacting travel to a particular geographic region or in general.
 - (p) Although II submits this disclosure statement for approval by regulatory agencies having jurisdiction over timeshare and exchange programs in various states, such approval should not be interpreted as applying to any travel, leisure, or other benefit or service falling outside the jurisdiction of any such agency.
 - (q) II is prohibited from doing business with certain entities and individuals residing in certain nationally sanctioned countries

or otherwise, set forth from time to time on any list maintained by the U.S. Department of the Treasury's Office of Foreign Assets Control (collectively, "Blocked Parties"). If II receives an Individual Membership Application from a purchaser defined as a Blocked Party, II will refuse membership for such purchaser. If an Individual Member subsequently becomes or is determined to be a Blocked Party, II will cancel the membership without refund or other obligation.

- (r) Except as stated herein, these terms and conditions do not apply to accommodations associated with the hotel discount benefit made available to Members.
 - (s) Use of any automated system, scripting, or any other method by a Member to secure services from II, including confirming an exchange or purchasing a Getaway, is prohibited. II reserves the right, at its sole discretion, to cancel any Confirmation(s) of any individual it suspects to be the result of tampering with the operation of the intervalworld.com website, or otherwise in violation of these terms and conditions. Such actions may also result in the suspension or termination of a Member's membership and/or exchange privileges.
8. Members acknowledge and agree that, to the extent allowed by applicable law, II may offer various products and services through telemarketing programs, and Members consent to such telephonic solicitation, including, but not limited to, solicitations through an automated system for the selection or dialing of telephone numbers, predictive dialing equipment, and/or prerecorded messages. If any phone number provided by the Member as part of the membership record is a mobile phone number, the Member expressly consents to II's use of such mobile phone number for all purposes and methods as set forth herein.
 9. Members acknowledge and agree that II may, to the extent allowed by applicable law, offer various products and services through electronic messaging, and Members consent to such electronic solicitation.
 10. **Members acknowledge and agree to the terms of the II Privacy Policy.** The sharing of Members' personal information, including contact details, to third parties including resorts, owners' associations, resort trustees, management companies, resale companies, airlines, travel providers, insurance companies, and other suppliers is necessary in order for II to verify details relating to a Member's standing with the Exchange Program and/or with said Member's Home Resort and/or to provide products and services as requested by the Member.
 11. The terms and conditions of membership with II and use of the Exchange Program shall be construed under the laws of the State of Florida. By maintaining Individual Membership in II, Members consent to the exclusive subject matter and personal jurisdiction of the courts in Miami-Dade County, Florida. In the event of litigation between the parties, the prevailing party shall be entitled to all costs incurred, including reasonable attorneys' fees.
 12. These Terms and Conditions of Individual Membership and Exchange, including any fees associated therewith, may be changed by II at its sole discretion. Except where expressly noted otherwise, Members will be advised of any such changes through II's regular publications or on II's website at intervalworld.com.

REQUIREMENTS OF PARTICIPATION IN EXCHANGE

To utilize the exchange privilege pursuant to these terms and conditions, including special exchange services, active membership in good standing must be in effect from the time a request is placed through the actual requested and/or confirmed travel dates and/or the last occupancy date of the week deposited (whichever occurs later). Further, the Home Resort must be in good standing with II, and the Home Resort accommodations must be available for occupancy as determined by II. A Member Resort will be listed as unavailable for occupancy until such time as II determines that such resort's units, amenities, and facilities are sufficiently complete to be desirable for exchange. In addition, the Home Resort unit must have check-in/checkout management available on-site at the resort, must be fully equipped and furnished in accordance with II standards, and must have at least weekly maid service.

EXCHANGE METHODS

Generally, Members may choose either the "Request First" or the "Deposit First" exchange method to utilize the exchange service. However, both exchange methods may not be available if one or the other is not compatible with the use rules of the Home Resort. In some instances, the use rules of the Home Resort may shorten the time frames within which the Home Resort accommodations may be deposited and within which an exchange request may be placed. Members should refer to the Home Resort's use rules for additional information.

REQUEST FIRST EXCHANGE METHOD

1. With the Request First exchange method, Members who exchange with II based on weeks do not give up the right to occupy the Home

Resort accommodations until an exchange has been confirmed. Similarly, Members who exchange with II based on points do not give up the right to their points until an exchange has been confirmed. Upon Confirmation, however, all rights to the use of the Home Resort accommodations or points are immediately assigned to II.

2. Exchange requests using the Request First method may be placed up to 24 months prior to the commencement date of the week(s) being relinquished for exchange. The requested travel dates must be prior to or the same as the dates of the week(s) being relinquished.

DEPOSIT FIRST EXCHANGE METHOD

1. Under the Deposit First exchange method, when Home Resort accommodations are deposited, all rights to the use of same for the week(s) deposited are immediately assigned to II. Once a deposit is made, the deposited week(s) may not be withdrawn. Submission or confirmation of an exchange request is not required in order for II to issue a Confirmation into a deposited week or otherwise utilize such deposited week. Where permitted by the Member's Home Resort rules, a Member may use Deposit First to deposit points with II. Once the points are deposited with II by the Member, the points will remain in the Member's II account until the points are used for an exchange or the expiration date for the points, whichever occurs first. The points will not be returned to the Member's Home Resort account.
2. No fee is required to deposit vacation accommodations or points. An exchange fee, however, is required when placing an exchange request against the deposited accommodations or points.
3. Deposits must be received by II at least 31 days, but no more than 24 months, before the commencement date of the deposited week. Flex Deposits (received by II from 30 days up until 14 days before the commencement date of the week being deposited) also are accepted, but any exchange request placed using a Flex Deposit must be made through the Flexchange service.
4. Upon receipt of a deposit, II will assign a deposit number, which must be utilized when placing an exchange request. Except for the flexible lengths of stay provided under II's ShortStay Exchange service, and for exchange requests through Club Interval, as each is described below, an exchange may be requested for the same amount of time as that deposited. The exchange request may be placed at the same time that the deposit is made or at any time after receipt of the deposit number, but no later than 24 months after the commencement date of the deposited week. In addition, the requested travel dates must be no earlier than 24 months before, and no later than the expiration date of the points or 24 months after, the commencement date of the deposited week, unless the Individual Member chooses the Deposit Extension Option, as defined in Paragraph 5 hereunder, if available. All standard exchange procedures (as detailed below) must be adhered to when placing a request against the deposited week or points. If a Flex Deposit was made, a request may be submitted only through the Flexchange service, with travel dates no later than 24 months after the commencement date of the deposited week.
5. By using the Deposit Extension Option, Members may, upon the payment of an additional fee, extend the period in which they can utilize a particular deposit ("Redemption Window") for up to a period of one year. Any particular deposit may be extended a total of two (2) times. The Deposit Extension Option must be exercised no later than three (3) months after the date on which the original or extended Redemption Window expires. The extension begins on the date on which the original or extended Redemption Window expired. The exchange request placed within an extended Redemption Window must be placed through II's Flexchange service. Where permitted by the Member's Home Resort rules, the Deposit Extension Option may be used to extend the expiration date of points deposited with II. The Deposit Extension Option may not be used to extend the expiration date of Club Interval Points, Collection Points, an E-Plus Usage Window, or a retrade of a Confirmation using E-Plus, or to extend the time period in which Members may request substitute accommodations pursuant to II's Exchange Cancellation Policy, or request accommodations pursuant to the redemption of an accommodations certificate. All other terms and conditions of exchange apply.
6. ShortStay Exchange ("ShortStay Exchange") is an exchange service offered by II to Members in good standing with the Interval Gold, Club Interval Gold, and Interval Platinum membership programs in which, upon payment of the appropriate fee and any applicable tax, Members can be confirmed to resort accommodations for periods of less than seven (7) days. Members who exchange with II based on the relinquishment of a week may secure up to two (2) ShortStay Exchange Confirmations for resort accommodations of equal or lesser size than the Home Resort accommodations relinquished by the Member. Members who exchange with II based on the

relinquishment of points (i.e., those who own Vacation Interests that are points-based, including Club Interval Gold Members who have relinquished their week to receive Club Interval Points, or Members who have relinquished a week to receive Collection Points) may confirm as many ShortStay Exchange Confirmations as their available points will allow. A ShortStay Exchange Confirmation will not be issued until the availability of the Home Resort unit week or availability of the required number of points is verified. Holiday, summer, and other highly demanded travel periods usually will not be available through ShortStay Exchange. II's Exchange Cancellation Policies do not apply to ShortStay Exchange Confirmations. A cancellation of a ShortStay Exchange Confirmation results in the loss of the Home Resort unit week or points relinquished, as well as the exchange fee paid to secure such Confirmation. All other terms and conditions of the Exchange Program apply to this exchange service, except as noted to the contrary above.

7. The Deposit First and/or the ShortStay Exchange methods may not be available to owners at some Member Resorts because of the resort's internal reservation procedures.

CLUB INTERVAL EXCHANGE METHOD AND CLUB INTERVAL WEEKLY POINTS VALUES

1. Club Interval ("Club Interval") is the points-based exchange overlay that allows participating Club Interval Gold Members to deposit their Fixed Time and/or Floating Time Home Resort accommodations with II in exchange for Club Interval Points.
2. To be eligible to participate in Club Interval, a person must own or purchase an "Eligible" Vacation Interest. A Vacation Interest is deemed "Eligible" if II and the developer, or the association of the applicable Member Resort, have agreed to such Vacation Interest's participation in the Club Interval program.
3. Once an owner of a Vacation Interest is enrolled in Club Interval, the owner's membership with II becomes a Club Interval Gold membership, and all Vacation Interests owned by such person, both Eligible Vacation Interests and other Vacation Interests, are included in such membership account, although only Eligible Vacation Interests will be allowed to be deposited in exchange for Club Interval Points. Notwithstanding the foregoing, where a Club Interval Gold Member owns a Vacation Interest at a Member Resort participating in a corporate membership program, as well as an Eligible Vacation Interest, said Club Interval Gold Member must maintain their Club Interval Gold membership separate and distinct from their participation in the corporate membership program.
4. As to Eligible Vacation Interests, upon the deposit of accommodations with II, the Club Interval Gold Member may elect to receive an allotment of Club Interval Points, and will have the opportunity to participate in points-based exchange. As it relates to all other Vacation Interests owned by such Member, as well as any deposits of accommodations associated with Eligible Vacation Interests that the Member chooses not to convert to Club Interval Points, the Member will continue to participate in the Exchange Program based on the relinquishment of weeks and as discussed under the aforementioned sections entitled "Request First Exchange Method" and "Deposit First Exchange Method."
5. Under Club Interval, once the Home Resort accommodations are deposited, all rights to the use of same for the week(s) deposited are immediately assigned to II. Once a deposit is made, the deposited week(s) may not be withdrawn. The number of Club Interval Points that will be allotted to a Club Interval Gold Member based on their deposit of a unit week, and election to convert it to Club Interval Points shall be determined based on the Club Interval Weekly Points Values chart, which is established by II from time to time, at its sole discretion, upon publication on II's website, intervalworld.com. The current Club Interval Weekly Points Values chart is as follows:

Club Interval Weekly Points Values*

6. The actual number of Club Interval Points that will be allocated and placed in the Member's Club Interval Points account is dependent upon multiple factors, such as the relative weekly demand for the relinquished accommodations as expressed by the TDI value designation applicable to the relinquished accommodations' geographic area; the Resort Recognition tier of the relinquished accommodations; unit-specific attributes, such as the size of the unit, private sleeping capacity, and kitchen facilities; as well as the amount of time in advance of the first date of occupancy the accommodations are relinquished to II, as described below:
 - (a) Accommodations related to a Vacation Interest that is deposited 120 days or more in advance of the first date of occupancy will be allotted 100 percent of the Club Interval Weekly Points Value attributed to the deposited unit week.
 - (b) Accommodations related to a Vacation Interest that is deposited from 119 to 60 days in advance of the first date of occupancy will be allotted 75 percent of the Club Interval Weekly Points Value attributed to the deposited unit week.
 - (c) Accommodations related to a Vacation Interest that is deposited from 59 to 30 days in advance of the first date of occupancy will be allotted 50 percent of the Club Interval Weekly Points Value attributed to the deposited unit week.
 - (d) Accommodations related to a Vacation Interest that is deposited from 29 to 14 days in advance of the first date of occupancy will be allotted 25 percent of the Club Interval Weekly Points Value attributed to the deposited unit week.
 - (e) Accommodations related to a Vacation Interest with occupancy commencement dates of 13 days or less prior to the date of deposit will not be accepted.
 - (f) The Club Interval Points provided, based on each deposit of Home Resort accommodations, have an expiration date of two (2) years from the last date of the deposited accommodations' occupancy.
7. In any exchange transaction in which a Confirmation is issued for Host Accommodations requiring fewer Club Interval Points than those currently in a Club Interval Gold Member's Club Interval Points account, the Club Interval Points having the earliest expiration dates shall be deducted from the Club Interval Gold Member's Club Interval Points account first. Unused Club Interval Points will remain in the Club Interval Gold Member's Club Interval Points account for future use prior to their expiration date.
8. Club Interval Points from multiple deposits may be aggregated and redeemed cumulatively in any exchange transaction, so long as none of the Club Interval Points used expire prior to the last date of occupancy of the requested accommodations.
9. The Club Interval Weekly Points Values chart also represents the number of points that must be relinquished to secure the Confirmation of accommodations in one-week increments. For Confirmations of shorter stays of one to six days available through the ShortStay Exchange service, the required number of Club Interval Points will be derived from the Club Interval Weekly Points Values, but will vary based upon day of the week on which occupancy occurs. Each night of a Sunday-through-Thursday stay requires approximately 10 percent of the points required for the corresponding full-week stay; each Friday or Saturday stay requires approximately 25 percent.
10. All other terms and conditions of the Exchange Program apply to this exchange service, except as noted to the contrary above.

COLLECTION POINTS

1. The Collection Points Weekly Values chart below represents the currency value assigned to each deposited week of accommodations from a Collection Member Resort, as well as the Collection Points required to make an exchange to Host Accommodations, and is subject to modification by II from time to time:

Collection Points Weekly Values

TDI Range	Studio	1-Bedroom	2-Bedroom	3-Bedroom	4-Bedroom 5-Bedroom
135 – 150	5,200 – 5,720	9,000 – 9,900	14,500 – 15,950	20,000 – 22,000	25,000 – 27,500

The Collection Points Weekly Values chart also represents the number of points that must be relinquished to secure the Confirmation of accommodations in one-week increments. For Confirmations of shorter stays of one to six days available through the ShortStay Exchange service, the required number of Collection Points will be derived from the Collection Points Weekly Values, but will vary based upon day of the week on which occupancy occurs. Each night of a Sunday-through-Thursday stay requires approximately 10 percent of the points required for the corresponding full-week stay; each Friday or Saturday stay requires approximately 25 percent.

2. Upon receipt of a deposit, where allowed by the rules of the Home Resort, II will convert the deposited accommodations to Collection Points. The number of Collection Points that will be allocated and placed in the Member's Collection Points Account is dependent upon the amount of time in advance of the first date of occupancy the accommodations are relinquished to II, as described below:
 - (a) Accommodations related to a Vacation Interest that is deposited at least 60 days or more in advance of the first date of occupancy will be allotted 100 percent of the Collection Points Value.
 - (b) Accommodations related to a Vacation Interest that is deposited from 59 to 30 days in advance of the first date of occupancy will be allotted 75 percent of the Collection Points Value.
 - (c) Accommodations related to a Vacation Interest with occupancy commencement dates of 29 days or less prior to the date of deposit will not be accepted.
3. Collection Points from multiple deposits may be aggregated and redeemed cumulatively in any exchange transaction, so long as none of the Collection Points used expire prior to the last date of occupancy of the requested accommodations.
4. In any exchange transaction in which a Confirmation is issued for Host Accommodations requiring fewer Collection Points than those currently in a Member's Collection Points Account, the Collection Points having the earliest expiration dates shall be deducted from the Member's Collection Points Account first. Unused Collection Points will remain in the Member's Collection Points Account for future use prior to their expiration date.
5. When a Member makes a request using the Request First exchange method, II will determine the number of Collection Points available from the Home Resort accommodations being relinquished in accordance with the Collection Points Weekly Values chart. Such Collection Points may then be used by the Member to place a request for Host Accommodations.
6. **All Collection Points expire 24 months from the commencement date of the week on which they are based.**
7. All other terms and conditions of the Exchange Program apply to the use of Collection Points, except as noted to the contrary above.

GENERAL EXCHANGE PROCEDURES AND PRIORITIES

1. (a) Vacation Interests, available for occupancy as determined by II, may be relinquished to II in one-week increments. Generally, owners of Floating Time Vacation Interests must first contact their Home Resort to secure a specific unit and time period at their Home Resort, or to otherwise verify their eligibility to exchange prior to making a deposit.
 - (i) Where the Home Resort has previously deposited accommodations on behalf of the Members, the Member must contact the Home Resort and request that a reservation or deposit number be assigned to them. The reservation information must then be submitted to II by the Home Resort.
 - (ii) Owners whose Vacation Interests are evidenced by points may contact II to place an exchange request using the Deposit First exchange method, if permitted by the Home Resort rules, or Request First exchange method, but a Confirmation will not be issued until availability of the required number of points is verified through the Home Resort.
- (b) Regular exchange requests, whether using the Deposit First or Request First method, must be received by II at least 60 days in advance of the commencement date of the earliest week requested.
- (c) Exchange requests made less than 60 days prior to the travel date requested may be submitted by phone or via the internet at intervalworld.com, and an instant confirmation received from 59 days up until 24 hours in advance of the travel dates desired.
- (d) If a Flex Deposit has been made, the exchange request must be made through the Flexchange service. Available Host Accommodations for the date requested will be offered, and a Confirmation will be instantly issued if one of these availabilities is accepted at the time of the offer. Holiday, summer, and other highly demanded weeks usually are not available through Flexchange.
- (e) **Regardless of the method used, once an exchange request is submitted, it may be canceled only if notice of cancellation is received by II prior to Confirmation of the request. Once issued, a Confirmation may be canceled only in accordance with one of II's Exchange Cancellation Policies, as described in Paragraphs 8 and 9 of this section.**
- (f) Points (including Club Interval Points and Collection Points) are not charged or deemed used until an exchange has been confirmed. However, a Member may not utilize the same points for more than one exchange request at a time. For a Club Interval or Collection Points Confirmation to be issued, the number of Club Interval Points or Collection Points required will be based on the Host Accommodations being requested in accordance with the Club Interval Weekly Points Values or the Collection Points Values charts. Once a points-based Confirmation has been

issued, the Member will be deemed to have used the number of points applicable to such Confirmation, and such points will no longer be available to that Member, unless the Confirmation is canceled in accordance with one of II's Exchange Cancellation Policies, as described in Paragraphs 8 and 9. Where a given exchange request is not confirmed, no points will be subtracted from the Member's account.

2. To submit a valid exchange request, a minimum of three different resorts and one time period, three different time periods and one resort, or two resorts and two time periods must be requested. Members may be confirmed into any resort or time period requested.
3. (a) For those Members exchanging with II based on the deposit or relinquishment of a unit week, the Member may request to travel with a number of people equal to the maximum occupancy of the accommodations deposited or to be relinquished, provided that the number of people traveling does not exceed the standard traveling party size associated with each unit type as follows: hotel, studio, or efficiency unit – two persons; one-bedroom unit – four persons; two-bedroom unit – six persons; three-bedroom unit – eight persons; four-bedroom unit – 10 persons. Confirmations may be made into any unit that will accommodate the number of people in the Member's traveling party, even where the Home Resort accommodations deposited or relinquished can accommodate a greater number of people. For example, if a Member relinquishes a two-bedroom unit that accommodates six people, but is traveling with only four people, they may be confirmed into either a two-bedroom or one-bedroom unit. In all instances, exchange opportunities are enhanced by accepting any unit that will accommodate the number of people traveling.
- (b) Notwithstanding the foregoing, from time to time based upon availability, a Member may be upgraded to a unit type with a greater maximum occupancy than that of the Home Resort accommodations, subject to the payment of an additional fee, plus any applicable tax, per each step-up in unit size over the Home Resort unit size. For example, where the Home Resort accommodations are in a one-bedroom unit size and the Member chooses to upgrade to a three-bedroom unit size, the Member will be required to pay two (2) unit-size upgrade fees, plus any applicable taxes. A unit-size upgrade received in connection with a Flexchange Confirmation does not require the payment of a unit-size upgrade fee. Upgrades may be confirmed with an instant confirmation or requested during the pending request process by agreeing to pay the applicable upgrade fee(s), if a larger unit is ultimately confirmed. The purchase of a unit-size upgrade may only be canceled if the Confirmation is canceled within the first 24 hours after the exchange request has been confirmed. In such instance, the unit-size upgrade fee will be refunded with the exchange fee.
4. Exchanges are arranged on a space-available basis, taking into consideration the "Comparable Exchange" concept explained in Paragraphs 13 and 14 of this section. Neither II, nor any developer or marketer, can guarantee the fulfillment of a specific request, as weeks are received on a periodic basis throughout the year. Generally, II does not control the timing, location, or number of weeks available to the Exchange Program.
5. Members may be restricted from exchanging into certain resorts located within the same geographical area as the Home Resort accommodations that are being deposited or relinquished. There are currently such restrictions in Aruba; Branson, Missouri; Cabo San Lucas, Mexico; Gatlinburg/Pigeon Forge, Tennessee; Guatemala; Hawai'i (the Big Island); Hilton Head, South Carolina; Kaua'i, Hawai'i; Lake Tahoe, California; Las Vegas, Nevada; Marco Island, Florida; Mazatlán, Mexico; Okaloosa and Walton counties, Florida; Orlando/Kissimmee, Florida; Palm Desert, California; Palm Springs, California; Phuket, Thailand; Riviera Maya, Mexico; Riviera Nayarit, Mexico; St. Maarten; Summit County, Colorado; and Williamsburg, Virginia. Generally, this restriction does not apply to Members requesting an exchange to Member Resorts under common ownership or management with the Home Resort. Additional geographic areas may be restricted in the future. Members affected by any future restrictions will be advised via II's regular publications.
6. Only II can confirm vacation exchange requests and only II Confirmations are valid. II will attempt to confirm a request until 48 hours before the latest travel dates requested; however, beginning on the 29th day prior to the latest travel dates requested, II will contact the Member by phone in order to obtain acceptance by the Member prior to issuing a Confirmation.
7. (a) For Members who wish to change their Host Accommodations subsequent to receiving a Confirmation, but without canceling their Confirmation, E-Plus is available to allow Individual Members to "retrade" their original Confirmation, up to a total of three (3) times, upon the payment of an additional fee. **The use**

- of E-Plus may be purchased at any time, commencing at the time an exchange request is initially placed and continuing up to 14 days following the issuance of a Confirmation, so long as the purchase is prior to the first date of occupancy of the Host Accommodations and the Host Resort is in good standing with II. E-Plus may be used to secure up to three (3) retrades of the Member's Host Accommodations and/or vacation periods at any time, up to 12 months after the first date of occupancy of the Host Accommodations associated with the original Confirmation (the "E-Plus Usage Window"). Once established, the E-Plus Usage Window does not change upon any subsequent retrade.
- (b) When transacting an E-Plus retrade, the Member may view available Host Accommodations, and an E-Plus retrade will be instantly issued if the desired accommodations are available at the time the retrade is initiated. The pending request process may not be used with E-Plus. Retrade requests may be made online or by phone.
 - (c) (i) When the Member transacts an E-Plus retrade 60 days or more from the first date of occupancy of the original Confirmation or, if applicable, previously issued retrade, they will be entitled to select available accommodations with travel dates any time up to the expiration of the E-Plus Usage Window.
(ii) When the Member requests an E-Plus retrade 59 days or 14 days prior to the first date of occupancy of the original Confirmation or, if applicable, initial retrade, the Member may only select from accommodations that have occupancy dates commencing up to 60 days after the first date of occupancy of the original Confirmation or previously issued retrade. Any subsequent retrade request may only be for Host Accommodations with occupancy dates 60 days or less prior to the first date of occupancy of the current retrade.
(iii) E-Plus may not be used to change Host Accommodations less than 14 days prior to the first date of occupancy of the current Host Accommodations.
 - (d) For E-Plus retrades where points (inclusive of Club Interval Points and Collection Points) were relinquished for the original Confirmation:
 - (i) Where the number of points required for the retrade is equal to or less than the number of points required for the original Confirmation or, if applicable, previously issued retrade, no points will be returned to the Member's II account, Club Interval Points account, or Collection Points account.
 - (ii) Where the number of points or Club Interval Points required for the retrade is greater than the amount relinquished for the original Confirmation or, if applicable, previously issued retrade, the Member will be required to relinquish the additional points needed. A retrade will not be confirmed until the availability of the required number of points is verified by the Home Resort.
 - (e) Only one purchase of E-Plus may be made as to any particular Confirmation.
 - (f) E-Plus may not be purchased for use with a ShortStay Exchange Confirmation, an Interval Options Confirmation, or with respect to the purchase of accommodations through the Getaway Program.
 - (g) E-Plus may not be used to secure a retrade where the Host Accommodations have become unavailable for occupancy for any reason.
 - (h) E-Plus may not be available to owners at some Member Resorts because of the Home Resort's internal rules.
 - (i) II's Exchange Cancellation Policies do not apply to an E-Plus retrade.
8. II Exchange Cancellation Policy — Other than Club Interval Points–Based Exchange Confirmations:
- (a) The only circumstances under which a Member using the Exchange Program may lose the use and occupancy of the Home Resort accommodations or relinquished points (including Collection Points) without being provided Host Accommodations are if a Member:
 - (i) using the Deposit First method of exchange fails to submit a valid exchange request within the time periods specified;
 - (ii) using the Deposit First method of exchange requests accommodations that are not available and fails to accept any alternate locations and/or time periods offered;
 - (iii) cancels a Confirmation seven (7) days or more prior to the first date of occupancy of the Host Accommodations being canceled and fails to request substitute accommodations in accordance with II's Exchange Cancellation Policy;
 - (iv) cancels a Confirmation less than seven (7) days prior to the first date of occupancy of the Host Accommodations being canceled;
 - (v) cancels or loses the use of a Confirmation, at any time, due to the threatened or actual damage or destruction of the Host Accommodations;
 - (vi) cancels a Confirmation for substitute Host Accommodations that was previously issued to the Member under II's Exchange Cancellation Policy; or
 - (vii) where the use of the Home Resort accommodations by II is lost or impaired due to circumstances beyond II's control.
 - (b) Under II's Exchange Cancellation Policy, a Member may be entitled to cancel a Confirmation where the Confirmation is issued seven (7) days or more prior to the first date of occupancy. In order to cancel a qualified Confirmation, the Member must notify II of their desire to cancel such Confirmation within the first 24 hours after the exchange request has been confirmed. In the event that the Member has used the Deposit First method of exchange, the Member's exchange fee will be refunded and the deposit will revert to a status such that the Member may redeem such deposit at a future time to place another exchange request. If the Member has used the Request First method of exchange, the Member's exchange fee will be refunded and the right to occupy the Home Resort accommodations shall revert to the Member.
 - (c) When a Member notifies II of their desire to cancel a Confirmation seven (7) days or more prior to the first date of occupancy of the Host Accommodations being canceled, the Member will be entitled to request substitute exchange accommodations, as long as the Member requests travel occurring no later than 12 months following the date on which the Member cancels said Confirmation for Host Accommodations. However, the time period in which the Member is entitled to request substitute exchange accommodations is limited, as follows:
 - (i) When a Member notifies II of their desire to cancel the Confirmation 31 days or more prior to the first date of occupancy of their Host Accommodations, the Member may request substitute exchange accommodations at any time from the date of cancellation up to 24 hours prior to the first date of occupancy of such substitute exchange accommodations.
 - (ii) When a Member notifies II of their desire to cancel the Confirmation from 30 to seven (7) days prior to the first date of occupancy of their Host Accommodations, the Member may request substitute exchange accommodations from limited travel destinations 30 days to 24 hours prior to the first date of occupancy of such substitute exchange accommodations.
 - (iii) II will retain the exchange fee paid initially to secure the canceled Confirmation.
9. II Exchange Cancellation Policy — Club Interval Points–Based Exchange Confirmations:
- (a) The only circumstances under which a Club Interval Gold Member who exchanges with II based on the relinquishment of Club Interval Points may lose the use of their points without being provided Host Accommodations are if such Club Interval Gold Member:
 - (i) fails to submit a valid exchange request prior to the expiration of such Club Interval Points;
 - (ii) requests accommodations that are not available and fails to accept any alternate locations and/or time periods offered prior to the expiration of the Club Interval Points;
 - (iii) cancels or loses the use of a Confirmation, at any time, due to the threatened or actual damage or destruction of the Host Accommodations; or (iv) where the use of the Eligible Vacation Interest on which such Club Interval Points were issued is lost or impaired due to circumstances beyond II's control.
 - (b) Under II's Exchange Cancellation Policy for Club Interval Points–Based Exchange Confirmations, a Club Interval Gold Member is entitled to cancel a Confirmation by notifying II of their desire to cancel such Confirmation within the first 24 hours after the exchange request has been confirmed. In such instance, the Club Interval Points utilized for the Confirmation are restored to the Member's II account and any exchange fee paid that is associated with the canceled Confirmation is refunded.
 - (c) When a Club Interval Gold Member notifies II of their desire to cancel a Confirmation one day or more prior to the first date of occupancy of the Host Accommodations being canceled, the Member will receive a percentage of Club Interval Points utilized for the Confirmation refunded, as follows:
 - (i) When a Club Interval Gold Member notifies II of their desire to cancel the Confirmation 120 days or more prior to the first date of occupancy of their Host Accommodations, the Club Interval Gold Member will receive a refund of 100 percent of the Club Interval Points utilized.
 - (ii) When a Club Interval Gold Member notifies II of their desire to cancel the Confirmation from 119 days to 60 days prior to the first date of occupancy of their Host Accommodations, the Club Interval Gold Member will receive a refund of 75 percent of the points utilized.

- (iii) When the Club Interval Gold Member notifies II of their desire to cancel the Confirmation from 59 days to 30 days prior to the first date of occupancy of their Host Accommodations, the Club Interval Gold Member will receive a refund of 50 percent of the points utilized.
 - (iv) When the Club Interval Gold Member notifies II of their desire to cancel the Confirmation from 29 days to one day prior to the first date of occupancy of their Host Accommodations, the Club Interval Gold Member will receive a refund of 25 percent of the points utilized.
 - (v) II will retain the exchange fee paid initially to secure the canceled Confirmation.
10. (a) Notwithstanding the foregoing Paragraphs 8 and 9, no Member may request substitute exchange accommodations or any refund of points, Club Interval Points, or Collection Points where such Member has canceled or has lost the use of a Confirmation as a result of the Host Accommodations being damaged or destroyed, or where such damage or destruction is imminent. II reserves the right to deny a Member substitute exchange accommodations under II's Exchange Cancellation Policies, where such Member has received compensation for their canceled exchange accommodations pursuant to travel insurance or otherwise.
 - (b) In all instances that a Member requests substitute exchange accommodations pursuant to II's Exchange Cancellation Policies, the Member will be entitled to request substitute Host Accommodations comparable in quality to the Home Resort accommodations.
 - (c) The date the Member cancels will be deemed the new date of relinquishment in determining a priority with respect to Paragraph 14(e) below.
 - (d) No request for substitute exchange accommodations will qualify for an internal exchange priority as it relates to Paragraph 15 hereunder.
 - (e) Where a request for substitute exchange accommodations is allowed under either of II's Exchange Cancellation Policies, the Member will be required to pay an additional exchange fee at the time they request substitute exchange accommodations.
 - (f) II's Exchange Cancellation Policies do not apply to ShortStay Exchange Confirmations, E-Plus retrades, Getaway Confirmations, or Interval Options Confirmations. A cancellation of a ShortStay Exchange Confirmation or Interval Options Confirmation results in the loss of the Home Resort unit week or points relinquished.
 11. Irrespective of the calendar followed by the Home Resort, Members may be confirmed into a resort with weekly time periods beginning on any day of the week.
 12. Any week not confirmed by II to a Member will be used by II for general commercial purposes.
 13. The Exchange Program is based upon the "Comparable Exchange" concept. Comparable Exchange attempts to parallel, to the greatest extent possible, the supply of and demand for the vacation period relinquished to the Exchange Program with the supply of and demand for the vacation period being requested in exchange. Comparable Exchange also attempts to ensure that Members are confirmed, whenever possible, to resorts that are comparable in quality to the Home Resort.
 14. II, therefore, in order to achieve its goal of providing the Member with an exchange experience comparable to that which the Home Resort provides, assigns a priority to each request based on the following factors:
 - (a) The supply of and demand for, within the Exchange Program, the vacation period deposited (Deposit First) or being offered in exchange (Request First), and the Home Resort.
 - (b) The supply of and demand for, within the Exchange Program, the vacation period and Member Resort being requested in exchange.
 - (c) The quality, facilities, and overall experience offered by the Home Resort as compared to the quality, facilities, and overall experience of the Member Resort being requested in exchange. This is based on evaluation forms received from exchange guests to the Home Resort, resort inspections and evaluations, and other information received by II regarding the Home Resort.
 - (d) When the exchange request is received by II. The earlier of two (2) identical requests for the same vacation period with identical relinquishment will receive priority.
 - (e) The amount of time in advance of the first date of occupancy that the Home Resort vacation period is relinquished to II.
 - (f) The unit type and private sleeping capacity being relinquished as compared to the unit type and private sleeping capacity being requested. The priority established for exchange requests is based on the number of persons that the deposited or to-be-relinquished Home Resort unit will accommodate privately. The number of persons accommodated privately is generally determined on the basis of two people per private sleeping area having access to a bathroom. Such bathroom access must not interfere with the privacy of the people who occupy the unit's other private sleeping areas.
 15. In addition to the above, priority in the exchange confirmation process may be provided to:
 - (a) Members requesting an exchange to select Member Resorts that are owned in common with the Home Resort, under common control with the Home Resort through a related company of the developer or seller of the Home Resort, or in certain instances, branded, marketed, and/or managed, in common with the Home Resort, or
 - (b) Members who own a Vacation Interest at a Member Resort located in the geographic regions of Australia, New Zealand, and/or South Africa, and are requesting an exchange to other Member Resorts that are located in the same geographic region as the Member's Home Resort.
 16. Confirmations and their associated Host Accommodations, including, without limitation, those made available as part of the Getaway program, may be used only for personal and noncommercial purposes. Members are expressly prohibited from exchanging or renting the Host Accommodations, including, but not limited to, offering the Host Accommodations for sale or rent to third parties through the use of a Guest Certificate or otherwise. Failure to use the Host Accommodations will not entitle Members to use the Home Resort accommodations for the period relinquished. Confirmations are issued only in the name of the Member placing the exchange request, and Host Accommodations may be used only by the Member and accompanying guests, unless a Guest Certificate is obtained from II. There is a fee for each Confirmation assigned via a Guest Certificate, which must be paid, plus any applicable tax, when the certificate is requested. This Guest Certificate fee is in addition to the exchange fee required when the exchange request is placed. Notwithstanding the foregoing, Interval Platinum Members are eligible to request up to three (3) Guest Certificates per membership year without the payment of a Guest Certificate fee. Additional certificates are available to Interval Platinum Members with the payment of a Guest Certificate fee. Guest Certificates may only be obtained for personal or noncommercial purposes. Failure to secure a Guest Certificate where required for a guest of the Member when the Member does not plan to occupy the Host Accommodations (including instances where the Member has been issued Confirmations for multiple units having the same travel dates at the same Member Resort) or obtaining Guest Certificates that are used for commercial purposes may result in termination of the membership and cancellation of any existing Confirmations, including those with future travel dates. Guests of Members who arrive at a Host Resort without a Guest Certificate will be denied access to the accommodations until the Member has purchased a Guest Certificate from II.
 17. The Member is responsible for the acts and omissions of the individuals occupying the Host Accommodations, including any loss or damage to the Host Resort or the Host Accommodations. Individuals under the age of 21 are not eligible to receive a Guest Certificate. Additionally, the issuance of a Guest Certificate and the use of the Host Accommodations are subject to any restrictions or limitations that may be imposed by the Host Resort. Members are expressly prohibited from selling or exchanging a Guest Certificate for cash, barter, or other consideration. In the event that any of the above terms are breached, II reserves the right to revoke the Guest Certificate, cancel the underlying Confirmation, and terminate the membership without further obligation by II.
 18. By depositing a week or submitting an exchange request, Members represent and warrant that they have the right to use or assign the Home Resort accommodations, and that all maintenance fee assessments or similar charges have been paid through the date of the week deposited or being relinquished in exchange, and the requested travel dates. Exchange privileges may be denied if all such maintenance fee assessments or similar charges at the Home Resort have not been paid. II reserves the right to cancel any previously issued Confirmation if it subsequently receives notice that a Member has not paid any outstanding fee, assessment, or other charge in a timely fashion. A unit week or its points

equivalent may not be rented, exchanged, or given to any third party once it has been deposited with the Exchange Program, while II is attempting to fulfill an exchange request, or after II has issued a Confirmation. Additionally, if the Vacation Interest is sold after a unit week or its points equivalent has been deposited, while an exchange request is pending with II, or after II has issued a Confirmation into a week, such sale must be subject to II's exclusive rights of use. Any action in contravention of the foregoing may subject the Member to an administrative fee, and the Member shall be responsible for all losses incurred by II or any of its affiliates or subsidiaries. Additionally, such individual's membership privileges with II may be suspended (without further obligation by II) until such time as all amounts owed have been paid in full.

19. II reserves the right to limit the number of Confirmations, including, without limitation, those made as part of the Getaway program, issued to a particular Member in any particular year, and to limit the number of units confirmed to a Member for any given Member Resort or for any given travel dates.

SPECIAL EXCHANGE SERVICES

1. The Getaway Program is a special exchange service offered by II from time to time in which resort accommodations are confirmed to Members upon payment of a fee, plus any applicable tax. The resort accommodations available through the Getaway Program include resort accommodations that have been deposited or relinquished by Members, but are not otherwise utilized by II, and resort accommodations made available to II directly by resort developers or other third parties. The fee charged to Members by II is based primarily upon the unit size confirmed, the location of the accommodations, the occupancy date, and the length of stay. To participate in the Getaway Program, Members are not required to relinquish their Home Resort accommodations. Interval Platinum Members are afforded "priority" Getaway viewing, which allows Interval Platinum Members to view and reserve selected, newly added Getaway resort accommodations in advance of other Members, provided, however, that priority Getaway viewing does not apply to any resort accommodations 30 days or less before their initial date of occupancy. Resort accommodations will be available to all Members in good standing at that time. In certain circumstances, Members may not be confirmed through the Getaway Program into their Home Resort or into Member Resorts that are, directly or indirectly, under common ownership or control with the Home Resort, or due to the Home Resort's internal rules, regulations, or procedures.
2. (a) The Interval Options Program is an alternative exchange service offered by II to Members of the Interval Gold, Club Interval Gold, and Interval Platinum membership programs, whereby said Members are allowed to exchange their Home Resort accommodations for a credit against the purchase of a cruise, spa, or golf vacation package, or hotel reservation, as well as tours and certain other services, such as Interval Experiences. The Interval Options program may not be available to all Interval Gold, Club Interval Gold, and Interval Platinum Members based on their Home Resort's internal rules, regulations, or procedures.
- (b) For all Interval Options exchange requests, an exchange fee, as designated by II at the time the request is placed, shall be paid. For cruise, spa, or golf vacation packages, a supplemental fee must also be paid upon II's confirmation thereof. The amount of the supplemental fee is assessed on a per-person basis and varies depending on many factors, including, but not limited to, the alternative vacation selected, the itinerary and travel dates selected, the accommodations selected, and the Home Resort accommodations relinquished. For hotel exchange reservations, an additional payment may be required and will be paid at the time of confirmation. The additional payment required will be based on many factors, including the number of nights confirmed, hotel selected, room type, and travel dates.
- (c) Promotional or discount coupons may not be applied toward cruises, vacation packages, or hotels booked through Interval Options.
- (d) The exchange value of the Home Resort unit may not necessarily represent the fair rental value of such unit. Only one Home Resort unit may be used for each cruise, spa, or golf vacation package, or hotel reservation, regardless of the number of occupants.
- (e) An Interval Options exchange request for a cruise, spa, or golf vacation package must be placed using the Request First exchange method. All such Interval Options exchange requests must be placed at least 90 days prior to the initial occupancy date of the Home Resort accommodations relinquished for such Interval Options exchange. The initial occupancy date of the requested Interval Options exchange may be prior to or subsequent to the occupancy date of the Home Resort accommodations relinquished, but no later than the advanced booking date of the alternative vacation component.

- (f) An Interval Options request for a hotel exchange must be placed using the Request First exchange method at least 90 days prior to the initial occupancy date of the Home Resort accommodations relinquished for such Interval Options exchange. The hotel exchange booking date must be at least 14 days prior to the check-in date, but no later than any advanced booking date requirement of the desired hotel or resort.
- (g) For all Interval Options exchange requests, the commencement date of the Home Resort accommodations relinquished may not be more than one year after the first occupancy date of the confirmed alternative vacation component.
3. Special exchange services may also include certain exchange incentives and Resort Accommodations Certificates that may be periodically made available to designated Members by II, at its sole discretion. Such special exchange services will be subject to specific terms and conditions, including their applicable cancellation policy.
4. II's Exchange Cancellation Policies do not apply to Getaway and Interval Options Confirmations. Unless noted otherwise during the Getaway confirmation booking process, Getaway fees will not be refunded upon cancellation. In all cases, cancellation of a Getaway results in the loss of the Getaway resort accommodations. The exchange fee associated with an Interval Options exchange request will be refunded only if an exchange cannot be confirmed, or if cancellation of the applicable exchange request is received by II prior to Confirmation. The supplemental fee shall be refunded in accordance with the refund policies of the provider(s) of the alternative vacation component(s). Hotel exchange reservations made through a third-party distributor will be subject to the cancellation policy stated in the booking process for the specific hotel. Hotel exchange reservations made at an II-sourced resort are final and nonrefundable. Once a hotel exchange is confirmed, if the Home Resort unit relinquished toward the hotel exchange is unavailable because the Member is not in good standing, as stated in these terms and conditions, the Member will be required to pay the entire amount due for the hotel exchange reservation (without offset for the value of the exchange), or will be subject to the cancellation policy for the specific hotel, which may include payment of a cancellation penalty. For all Interval Options Confirmations, if the value of the Home Resort week or points relinquished changes upon verification, the supplemental fee or additional payment required to be made by the Member may be increased.
5. Getaway and Interval Options Confirmations, and Resort Accommodations Certificates, may not be sold, bartered, or exchanged for other consideration. However, where the Member will not be occupying the confirmed Getaway resort accommodations or utilizing the Interval Options alternative vacation package, a Guest Certificate may be obtained in accordance with the terms set forth in Paragraphs 16 and 17 under General Exchange Procedures and Priorities.
6. All other terms and conditions of the Exchange Program apply to these special exchange services, except where noted to the contrary.
7. II does not guarantee the continuation of any of these special exchange services. Members will be advised in writing if any of these services are discontinued. The vacation opportunities available through the Getaway Program may vary from time to time, and its terms of use may be changed without prior notice.

FEES

The membership and exchange fees set forth below are applicable for residents of the United States, Canada, and the Caribbean. Residents of other geographic areas are subject to different membership and exchange fees, which are assessed by local servicing offices or representatives.

1. II's annual Individual Membership fee is US\$99, plus any applicable tax, and the annual upgrade fee (in addition to the applicable Individual Membership fee) for a) Interval Gold status is US\$64, plus any applicable tax; and b) Interval Platinum is US\$139, plus any applicable tax. When enrolled in II's Automatic Renewal Option, annual renewal dues will be charged automatically to the credit card indicated, at the rate applicable at membership expiration, unless canceled prior to the renewal date by contacting membership support services at your local servicing office. II will provide each Member no less than thirty (30) calendar days' written notice of renewal prior to processing such automatic charge, and membership will continue from year to year for as long as the Member is eligible for membership. Where a Member purchases additional Vacation Interests, such Member may include such additional Vacation Interests within their then-current Individual Membership upon the payment of an administrative fee of US\$39 per adjustment. Alternatively, upon the purchase of additional Vacation Interests, said Member may elect to pay an additional annual Individual Membership fee of US\$99 at the time such Vacation Interests are included with the Individual Membership, whereupon II shall extend the term of said Member's then-current Individual Membership for an additional 12-month period per additional membership fee paid.

Where a Member owns a Vacation Interest at a resort that maintains a corporate membership on behalf of the Member as well as Vacation Interests in other resorts, they must maintain an Individual Membership that is separate and distinct from their participation in the corporate membership program.

2. The Club Interval Gold membership fee is US\$163. Once an owner of a Vacation Interest is enrolled in the Club Interval program and the owner's membership with II becomes a Club Interval Gold membership, all Vacation Interests owned, both Eligible Vacation Interests and other Vacation Interests, are included under such membership. Where an owner has an existing Individual Membership and/or Interval Gold membership for which such owner has remitted membership fees directly to II at the time of their purchase of an Eligible Vacation Interest, the remaining value of the fees previously paid to II will be taken into consideration in determining the appropriate term of the Club Interval Gold membership. The value of any previously paid Interval Platinum fees are not included in this consideration. If the existing Individual Membership and Interval Gold membership have different expiration dates, the expiration date of the Club Interval Gold membership may differ, but the Member will have received the benefit of the prior membership fees paid. Club Interval Gold membership fees submitted by the Club Interval Gold Member are refundable on a pro-rata basis (based on the number of full months remaining in the applicable membership period) upon a Club Interval Gold Member's request for cancellation of their membership, and provided that the Club Interval Gold Member also returns to II any Club Interval Gold membership card(s) that they have received.
3. Notwithstanding the provisions of the foregoing Paragraphs 1 and 2, where an Individual Member or a Club Interval Gold Member owns a Vacation Interest and/or an Eligible Vacation Interest at a Member Resort participating in a corporate membership program, as well as owning a Vacation Interest and/or an Eligible Vacation Interest at a Member Resort through which the Member participates as an Individual Member of the Exchange Program, said Member must maintain their Individual Membership and/or the Club Interval Gold membership separate and distinct from their participation in the corporate membership program.
4. Membership fees submitted by the Individual Member are refundable on a pro-rata basis (based on the number of full months remaining in the applicable membership period) upon a Member's request for cancellation of their membership. Upgrade fees for Interval Gold status are refundable on the same basis, provided, however, that the Member also returns to II any Interval Gold membership card(s) that they have received. Upgrade fees for Interval Platinum are nonrefundable under any circumstances.
5. Failure to renew membership within 120 days from any expiration thereof may require payment of a US\$200 readmission fee to reinstate membership.
6. The exchange fee per week confirmed is US\$239, plus any applicable tax, and must be paid at the time an exchange request is made. If the request is made by phone, the exchange fee may be paid by a credit card acceptable to II or by check. Where the exchange fee is paid by check, however, confirmation will not occur until said check has been received and processed by II. Accommodations will be held for five (5) calendar days pending receipt of a check for an exchange fee. In addition, in any instance in which a Member pays a fee by check, II reserves the right to collect an administrative fee where such check is returned to II. Checks are not accepted for Confirmations with occupancy commencement dates within 30 days or less. **Exchange fees will be refunded only if an exchange cannot be confirmed, if cancellation of the applicable exchange request is received by II prior to Confirmation, or if cancellation is received by II within the first 24 hours of a Confirmation's issuance. Exchange fees will not be refunded under any other circumstances.**
7. The ShortStay Exchange fee per Confirmation is variable depending on the duration of the stay as follows:

Duration of Stay

One (1) night	US\$149
Two (2) nights	US\$159
Three (3) – four (4) nights	US\$169
Five (5) nights	US\$179
Six (6) nights	US\$189

These fees, plus any applicable tax, must be submitted by the Member at the time a ShortStay Exchange Confirmation is received. This exchange fee is nonrefundable. Any cancellation of a ShortStay Exchange results in the loss of the accommodations relinquished.

8. The purchase of E-Plus requires the payment of an additional fee of US\$89, plus any applicable tax, per exchange request or Confirmation. An E-Plus fee will only be refunded if the original exchange request cannot be confirmed or if cancellation of the original exchange request is received prior to Confirmation. E-Plus fees will not be refunded under any other circumstances.
9. If the Deposit Extension Option is selected by the Member, an additional fee per deposit is required at the time the deposit extension is requested. The fee to extend a deposit depends on the length of the extension as follows:

Period of Extension

Three (3) months	US\$79
Six (6) months	US\$109
Twelve (12) months	US\$199

10. The purchase of a unit-size upgrade requires the payment of an additional fee of US\$99 per step-up in unit size, plus any applicable tax, and is payable at the time the upgrade is confirmed. Members who are also Interval Gold Members pay a fee of US\$79, plus applicable tax, and Interval Platinum Members pay a fee of US\$59, plus applicable tax, per step-up in unit size. These fees also apply to any step-up in unit size that occurs in conjunction with a retrade through E-Plus. A unit-size upgrade received in connection with a Flexchange Confirmation does not require the payment of any fee. A unit-size upgrade fee will only be refunded if the Confirmation is canceled within the first 24 hours after the exchange request has been confirmed. Unit-size upgrade fees will not be refunded under any other circumstances.
11. If a Guest Certificate is requested by any Member, an additional fee of US\$89 per Confirmation will be required to be paid at the time the certificate is requested; however, Interval Platinum Members are eligible to request up to three (3) Guest Certificates per membership year without the payment of this additional fee. If II does not issue a Confirmation for which the Guest Certificate has been purchased, the certificate fee will be refunded. Guest Certificate fees will not be refunded under any other circumstances.
12. In the event that a Member sells, rents, exchanges, or otherwise assigns the Home Resort accommodations to any third party after such accommodations or its points equivalent have been deposited with II, while a request is pending with II, or after II has issued a Confirmation, II will assess such Member an administrative fee. Additionally, such Member will be responsible for all liabilities incurred by II or its affiliate or subsidiary in connection with the double use of the accommodations by the Member. Under these circumstances, membership privileges will be suspended (without further obligation by II) until such time as all amounts owed have been paid in full.
13. II may suspend membership privileges in the event that a Member fails to pay any amount owed to the Host Resort, II, or any other company related to II.
14. Some jurisdictions have imposed a tax on the occupant of resort accommodations. Consequently, any bed tax, transient occupancy tax, or similar tax that is imposed shall, in those circumstances, be the responsibility of the exchanging Member. Members may be required to contact the Host Resort prior to arrival in order to prepay such taxes and certain other resort fees. Additionally, Members are responsible for all personal charges (e.g., phone calls and meals) while at the Host Resort, and any utility surcharge or other charge imposed by a resort, as well as any damage to, or loss or theft from the Host Accommodations and facilities that is caused by Members or their guests.
15. Fees, if any, charged by Member Resorts for certain services, meal plans, and amenities are determined and levied by each resort. Such fees are the responsibility of the Member. These fees vary from resort to resort.
16. All fees may be increased from time to time by II, at its sole discretion. Members will be advised of any such increases through II's regular publications or on II's website, intervalworld.com.

Interval International, Inc.
Notes to Report of Key Operating Exchange Statistics
December 31, 2024

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The accompanying Report of Key Operating Exchange Statistics includes the combined exchange statistics of Interval International, Inc., including operations performed by subsidiary companies (collectively, "Interval International" or "II") after eliminating intercompany activities for the year ended December 31, 2024. The statistics reflected in the Report of Key Operating Exchange Statistics were computed and are disclosed in conformity with Sections 721.18 (1)(q) and (r) of the Florida Vacation Plan and Timesharing Act.

2. DESCRIPTION OF COMPANY

Interval International is a service company offering an exchange service for owners of resort timeshare or other vacation ownership interests. Resorts affiliated with II are located throughout the world. II's world headquarters is located in South Miami, Florida.

3. RESORT AFFILIATIONS

Resorts have contracted with II to provide exchange services for purchasers of their timeshare or vacation ownership interests. Included in the current number of resorts in the category of "accommodations and facilities or properties that have current affiliation agreements but are not eligible to participate with Interval International Inc, as of December 31, 2024" are those resorts which were conditionally accepted as member resorts of the Interval International exchange program or were in a suspended status as of December 31, 2024.

4. INDIVIDUAL MEMBERSHIPS

An owner's individual membership and participation in II's exchange program is dependent upon the owner's resort remaining in good standing with II. An individual's exchange privileges may be suspended during periods when the resort is not in good standing with II. Upon the payment of an annual membership fee, individual members generally receive various publications and the opportunity to exchange the use and occupancy of their vacation ownership interest for another, as well as other benefits offered by II. Individual members are considered as members for 120 days after their scheduled expiration date, although II may discontinue providing services to individuals who own vacation ownership interests at resorts participating in a corporate membership program where the resort's developer fails to timely remit the applicable corporate membership fee. Also, where an individual owns a vacation ownership interest, both at a resort participating in a corporate membership program and a resort at which owners participate as individual members, generally, such individual must maintain separate and distinct memberships and, for the purpose of determining the number of owners participating as members, will be counted as two members.

5. DEPOSITS

Generally, members may choose to deposit weeks available for occupancy into the II exchange program up to two years in advance of the occupancy date. When a week is deposited into the II exchange program, the right to use said week is immediately relinquished by the member. Members depositing a vacation week may submit an exchange request and travel at any time after II's receipt of the deposit up until 24 months after the commencement date of the deposited week, unless the member has extended the redemption window applicable to a particular deposit through the payment of a fee designated by II.

See Independent Accountant's Report.

Interval International, Inc.
Notes to Report of Key Operating Exchange Statistics
December 31, 2024

During the year ended December 31, 2024, 217,693 weeks were deposited with the II exchange program by members (or on their behalf) for which the members have the right to an exchange opportunity. II's obligation to accept exchange requests against the deposited weeks ends on varying dates through 2030. II has no obligation to provide a member depositing a vacation week with exchange accommodations in a subsequent year if: (a) the member fails to submit a valid exchange request and travel within the member's available redemption window or a permitted extension thereof; (b) the requested accommodations are not available and any alternative accommodations offered by II are not accepted by the member; (c) the member cancels an issued Confirmation less than seven days prior to occupancy of the Host Accommodations or otherwise fails to comply with the requirements of II's Exchange Cancellation Policy; or (d) the use of either the deposited week or confirmed accommodations is lost or impaired due to circumstances beyond II's control.

6. EXCHANGE REQUESTS AND CONFIRMATIONS

Exchange requests must be properly submitted in accordance with II's Terms and Conditions of Individual Membership and Exchange in order to be included in this report.

Exchanges are arranged on a space available basis. II does not guarantee fulfillment of a specific request.

In order for an exchange request to be considered properly applied for, and, therefore, included in the key operating exchange statistics, the member must either fully complete a written or electronic exchange request in accordance with the instructions furnished by II and in accordance with the Terms and Conditions of Individual Membership and Exchange, or the member must provide the same information that is requested to the II vacation advisor at the time the member places a request by telephone. An exchange request may be confirmed instantly if the accommodations requested by the member are available. Otherwise, if the request is for accommodations more than 59 days in advance of the date requested, it will be entered into the proprietary exchange system as a properly applied for exchange request. The key operating exchange statistics made available in this report also include requests made and confirmations issued pursuant to the Special Exchange Services outlined in II's Terms and Conditions of Individual Membership and Exchange (i.e., II's Getaway and Interval Options Programs), as well as requests made and confirmations issued pursuant to exchange incentives periodically made available to select individual members. Confirmations reported also include properly submitted exchange requests against which exchange alternatives were offered and accepted by members.

If the member fails to complete all the required information at the time of placing a request (such as, fails to request the minimum number of resorts or time periods), or otherwise fails to adhere to II's prescribed exchange procedures, such request is not included in the key operating exchange statistics. Also, excluded from the statistics are any exchange requests made by a member, whom, based on information provided to II by the home resort, is either no longer an owner at such resort or is not currently in good standing with such resort due to nonpayment of maintenance fee assessments or similar charges.
